Profile

Corporate Social Responsibility Association of Turkey (CSR Turkey) is an independent NGO formed in 2005 by the efforts from academics, businesses and other civil society organizations.

CSR Turkey aims to promote CSR notion within international standards in Turkey and to increase CSR awareness which already exists with foundations, associations and guild culture in Turkey. CSR Turkey operates with an approach based on sustainable progress, corporate governance, public-civil society & private sector partnership. CSR Turkey is a member of Corporate Social Responsibility Association of Europe (CSR Europe) since 2008. For more details about the organization: www.csreurope.org

CSR Turkey collaborates with organizations such as UNDP, European Union, French Development Agency, GMF, United States Chamber of Commerce, UPS Global Foundation, Turkish Republic Development Ministry, Sweden (Swedish) Sustainable Business Forum and British Council for CSR.
