Education for the Successful and Sustainable Future

Dr. Marjo Kyllönen
Head of Development Service Unit
• Promote social cohesion & well being.

• Nurture equality and equity - offer equal opportunities

• Do not deplete human resources
New school design?

Sundström Eric 1910-1919
Helsinki city museum
Complex...global...digital... unpredictable
In our Future School learning is seen as an open, flexible and collaborative process.

Learning happens everywhere and all the places are learning places

MarjoKyllönen
