A cityscape at dusk, featuring a large church spire and a ship in the water. The text is overlaid in the center.

**”CYGNI SHOULD BE THE BEST
WORKPLACE IN SWEDEN FOR A SKILLED
AND AMBITIOUS IT CONSULTANT”**

An aerial photograph of a city, likely Stockholm, showing a mix of historic red-brick buildings and modern apartment complexes. A river flows through the foreground, with a ferry docked at a pier. The sky is filled with large, white clouds. The overall scene is a blend of old and new architecture.

"CULTURE AND TECHNOLOGY IN THE WORKPLACE OF THE FUTURE"

**CORPORATE CULTURE WILL BECOME
EVEN MORE IMPORTANT IN THE FUTURE**

CREATING A STRONG CULTURE

- Focus on social relations
- Purpose instead of financial incentives
- Remove hierarchies
- Team orientation
- Individualize the employee experience
- Trust your employees - don't measure them
