Zingerman's service network

A large mural on a dark red wall features the text "Zingerman's Service Network" in the center. The word "Zingerman's" is in a white script font with a registered trademark symbol, "Service" is in a large yellow sans-serif font, and "NETWORK" is in a yellow sans-serif font where each letter is inside a yellow circle. Surrounding the text are several colorful circles containing black line drawings: a red circle with a hot dog, a yellow circle with a fish, a blue circle with a mug, a green circle with a corn cob, a red circle with a jar, and a yellow circle with a sandwich. Thin blue and yellow lines crisscross the wall. In the foreground, a black leather sofa is partially visible, flanked by two green palm plants. To the right, a doorway leads to another room with a sign that says "nt for ple".
