KNOW-HOW

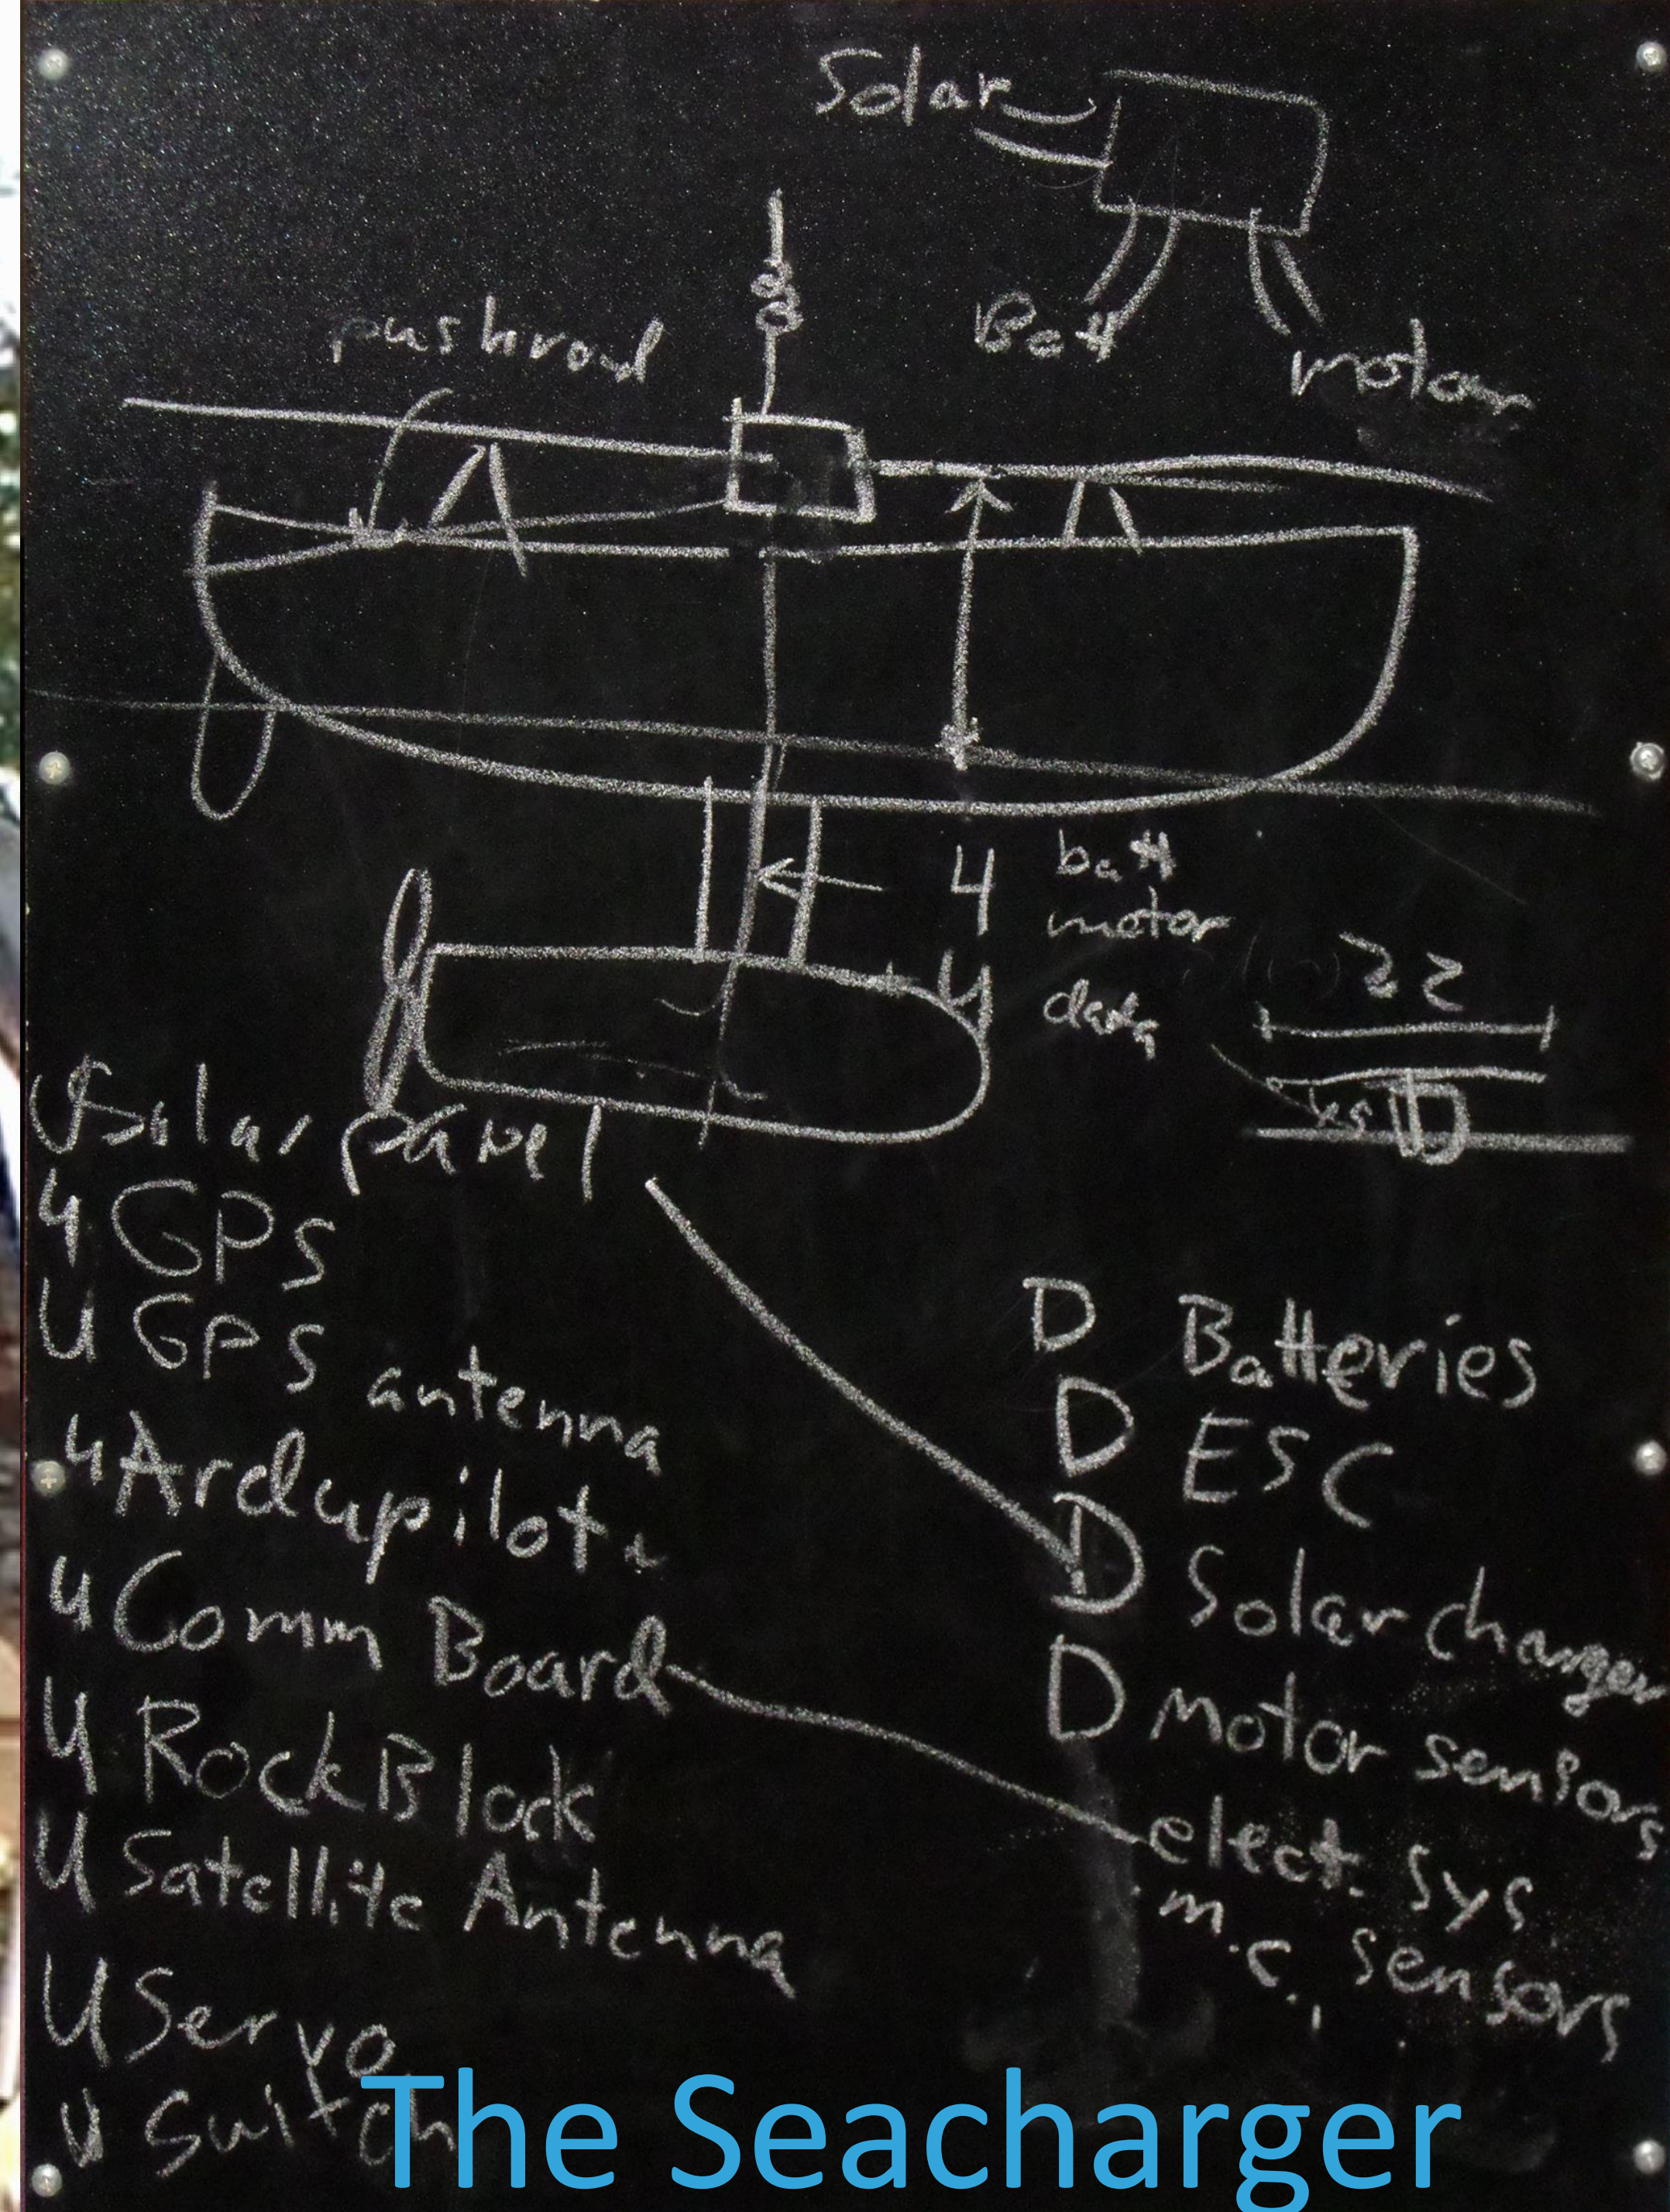

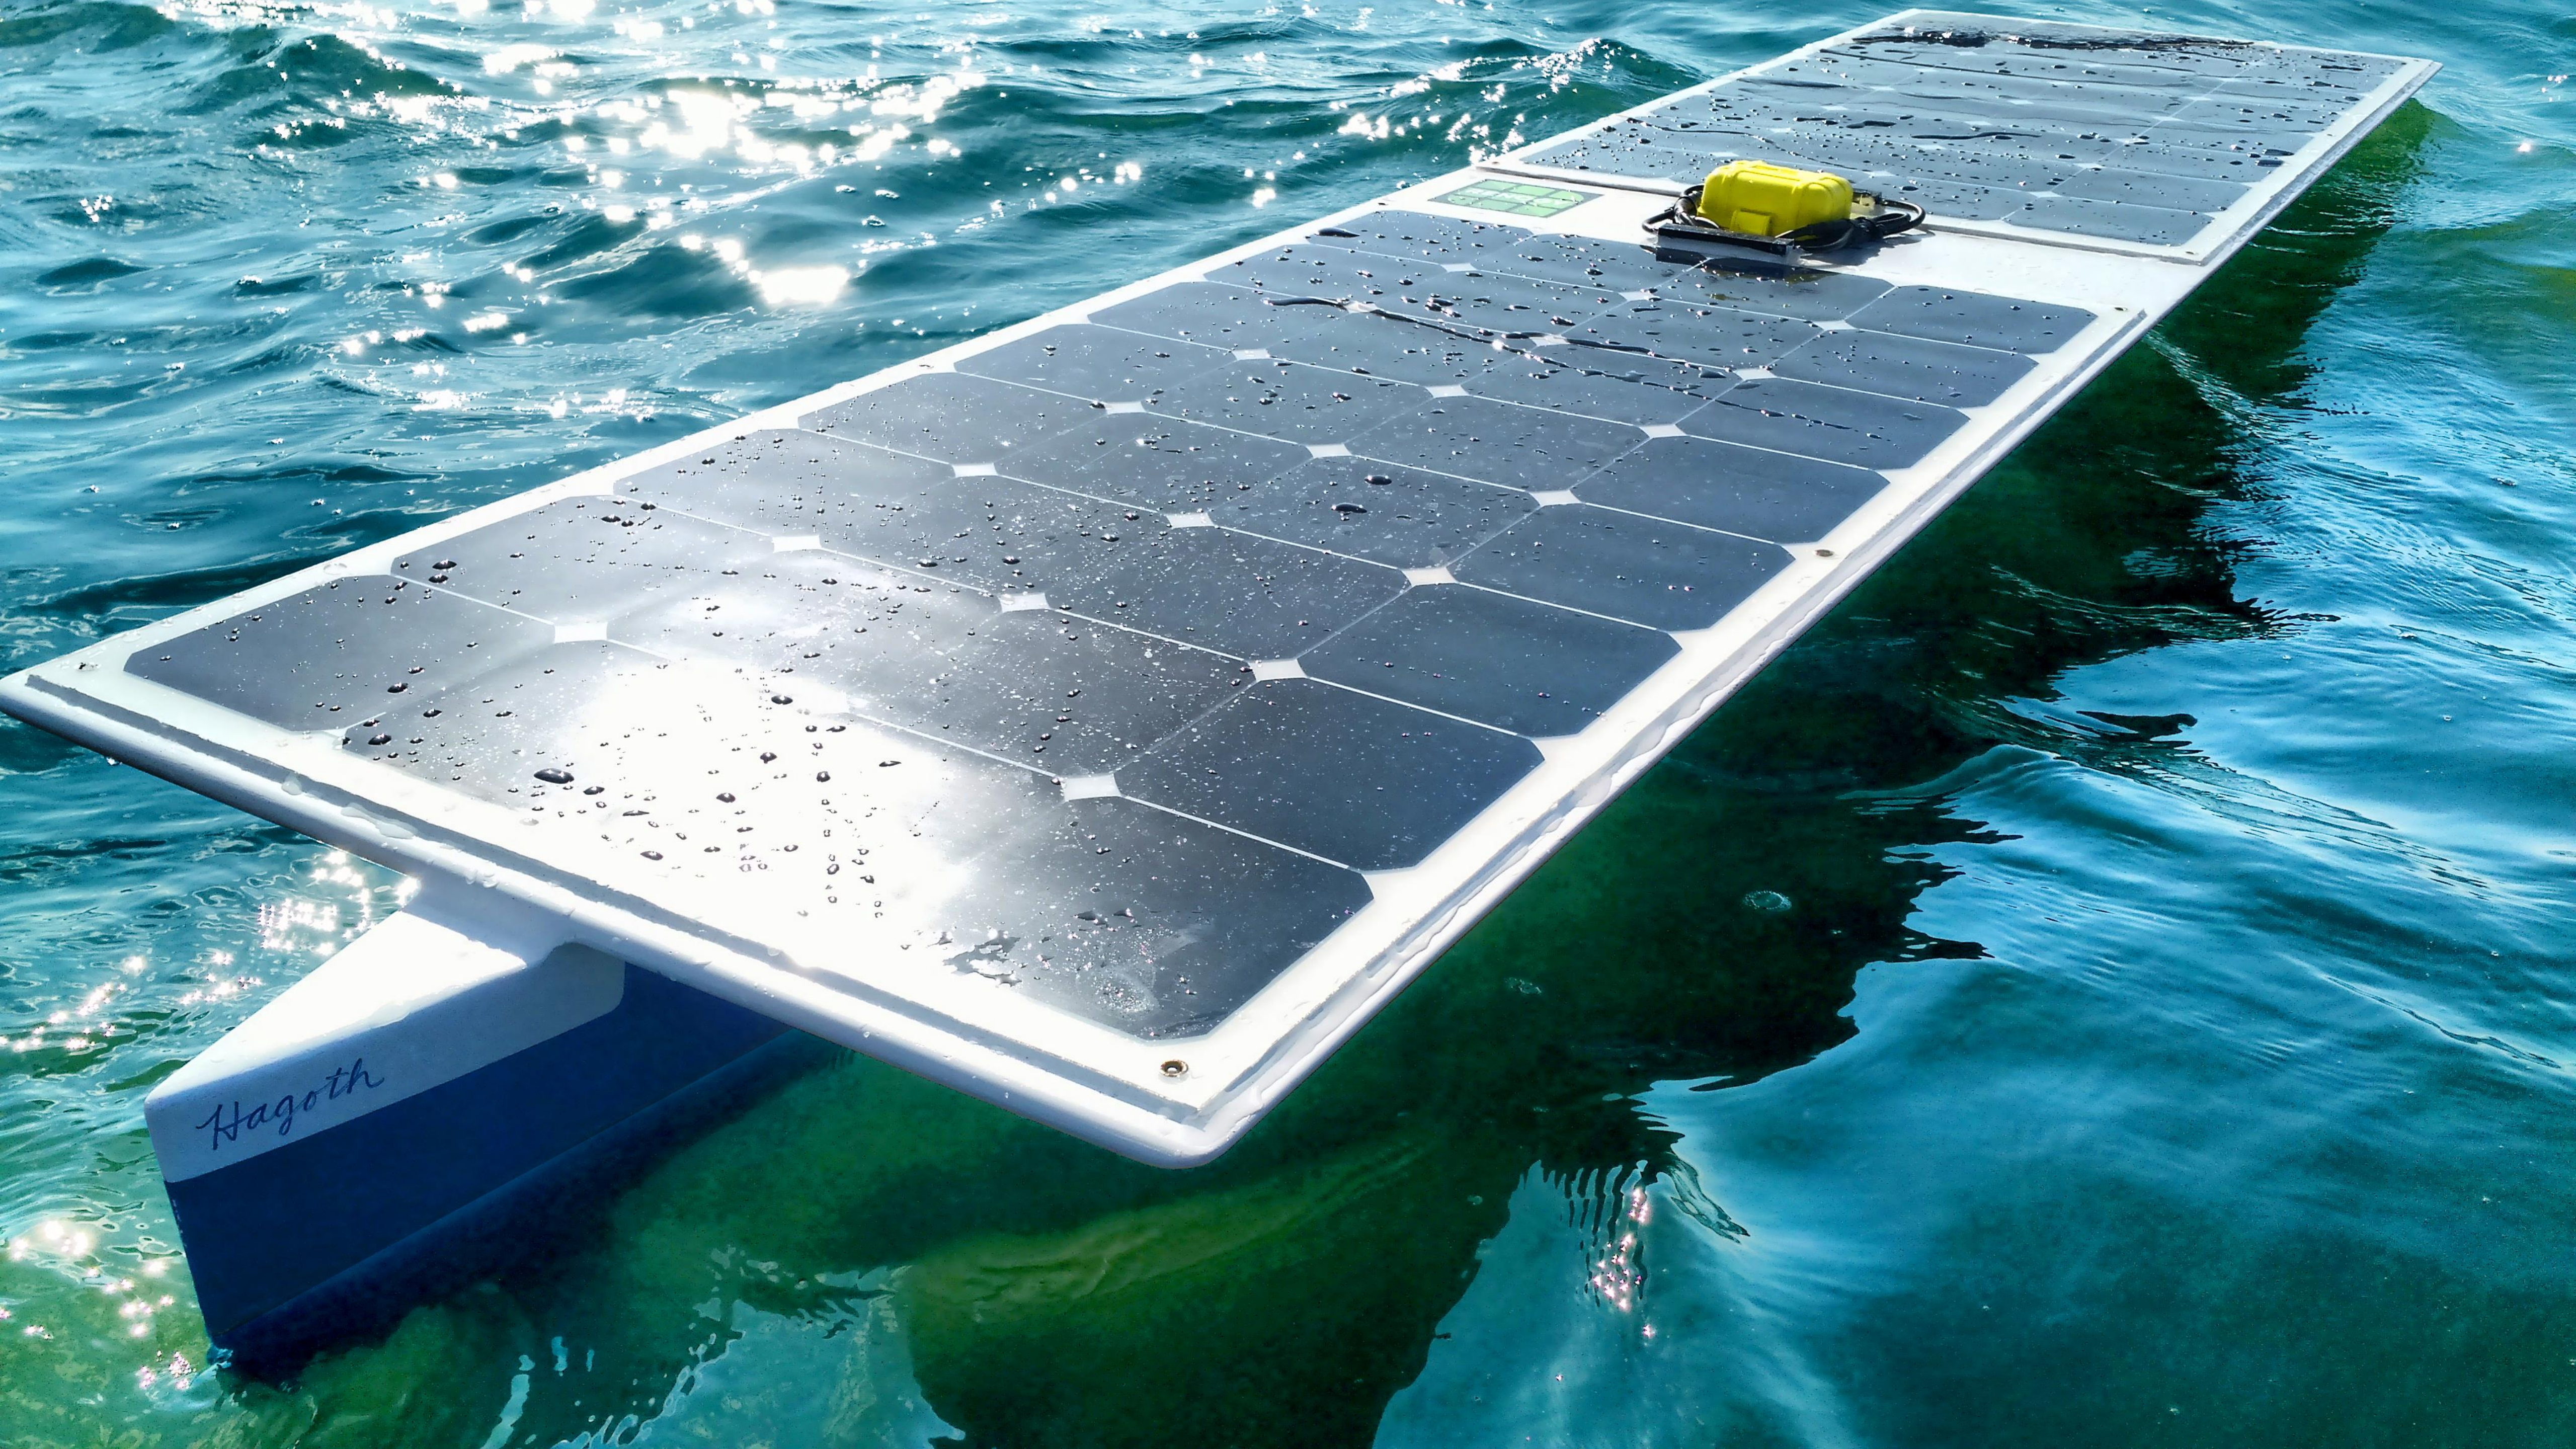

Damon McMillan

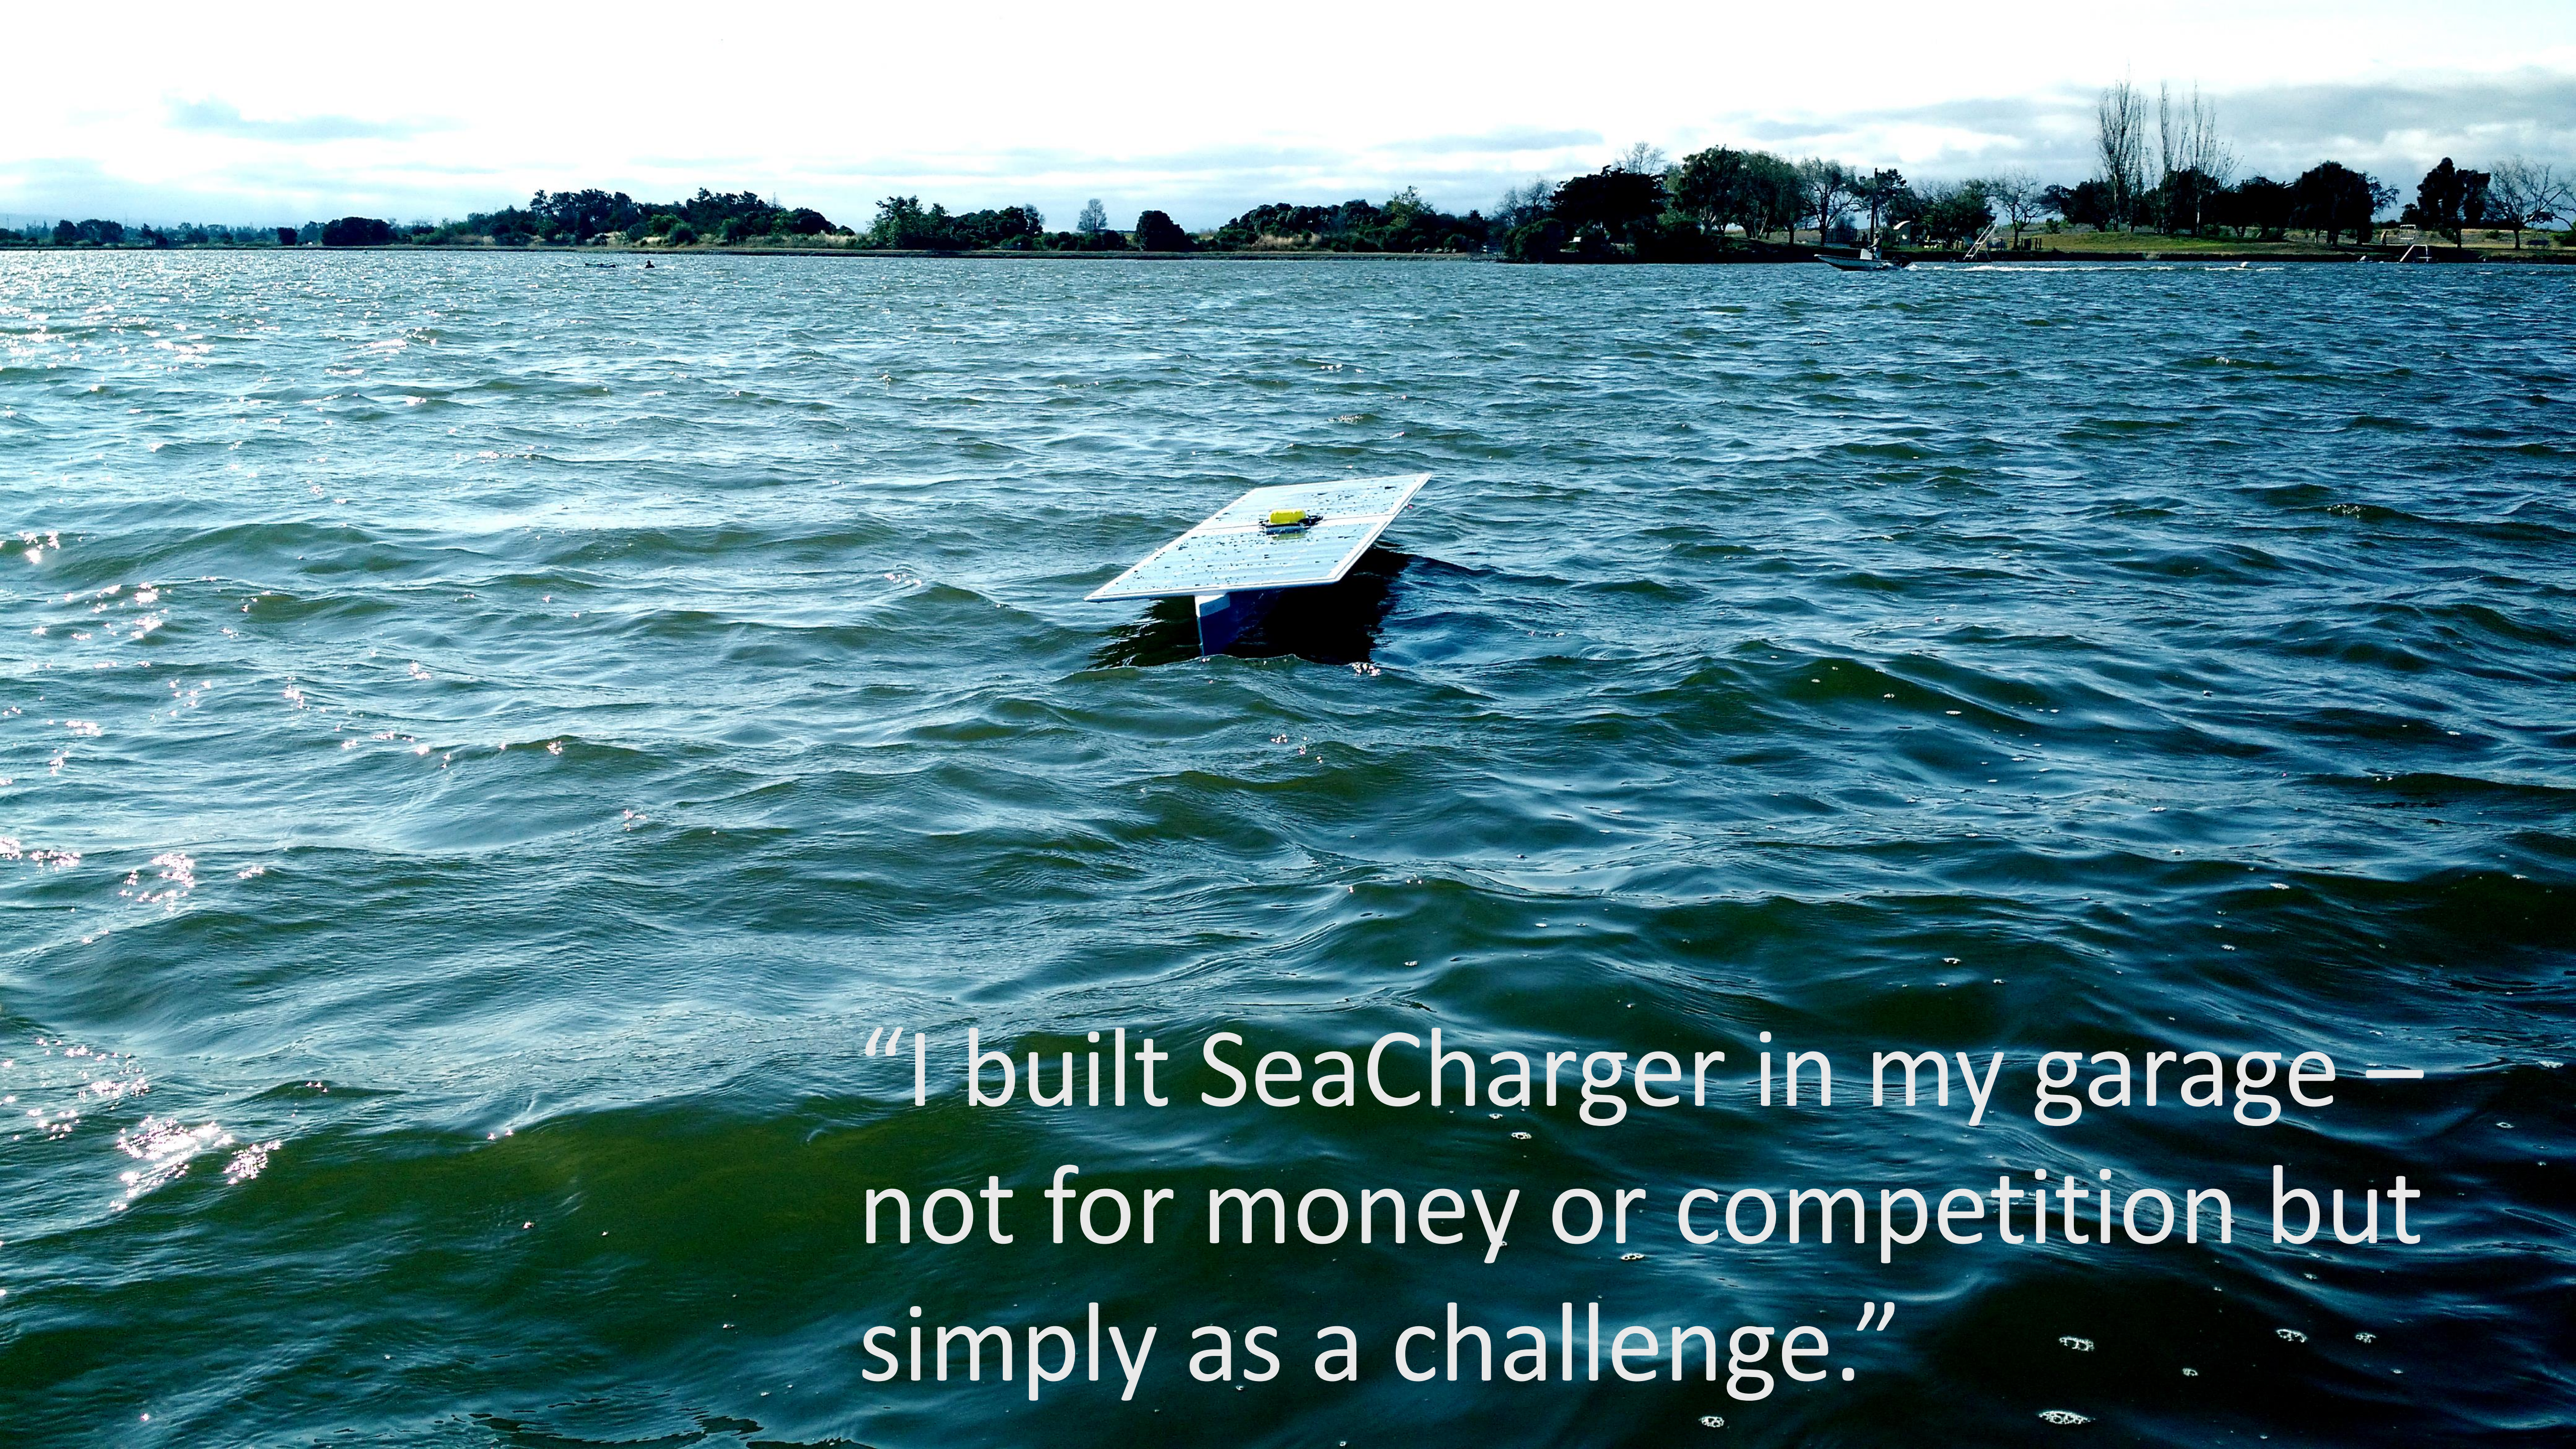

The Seacharger

Hagoth

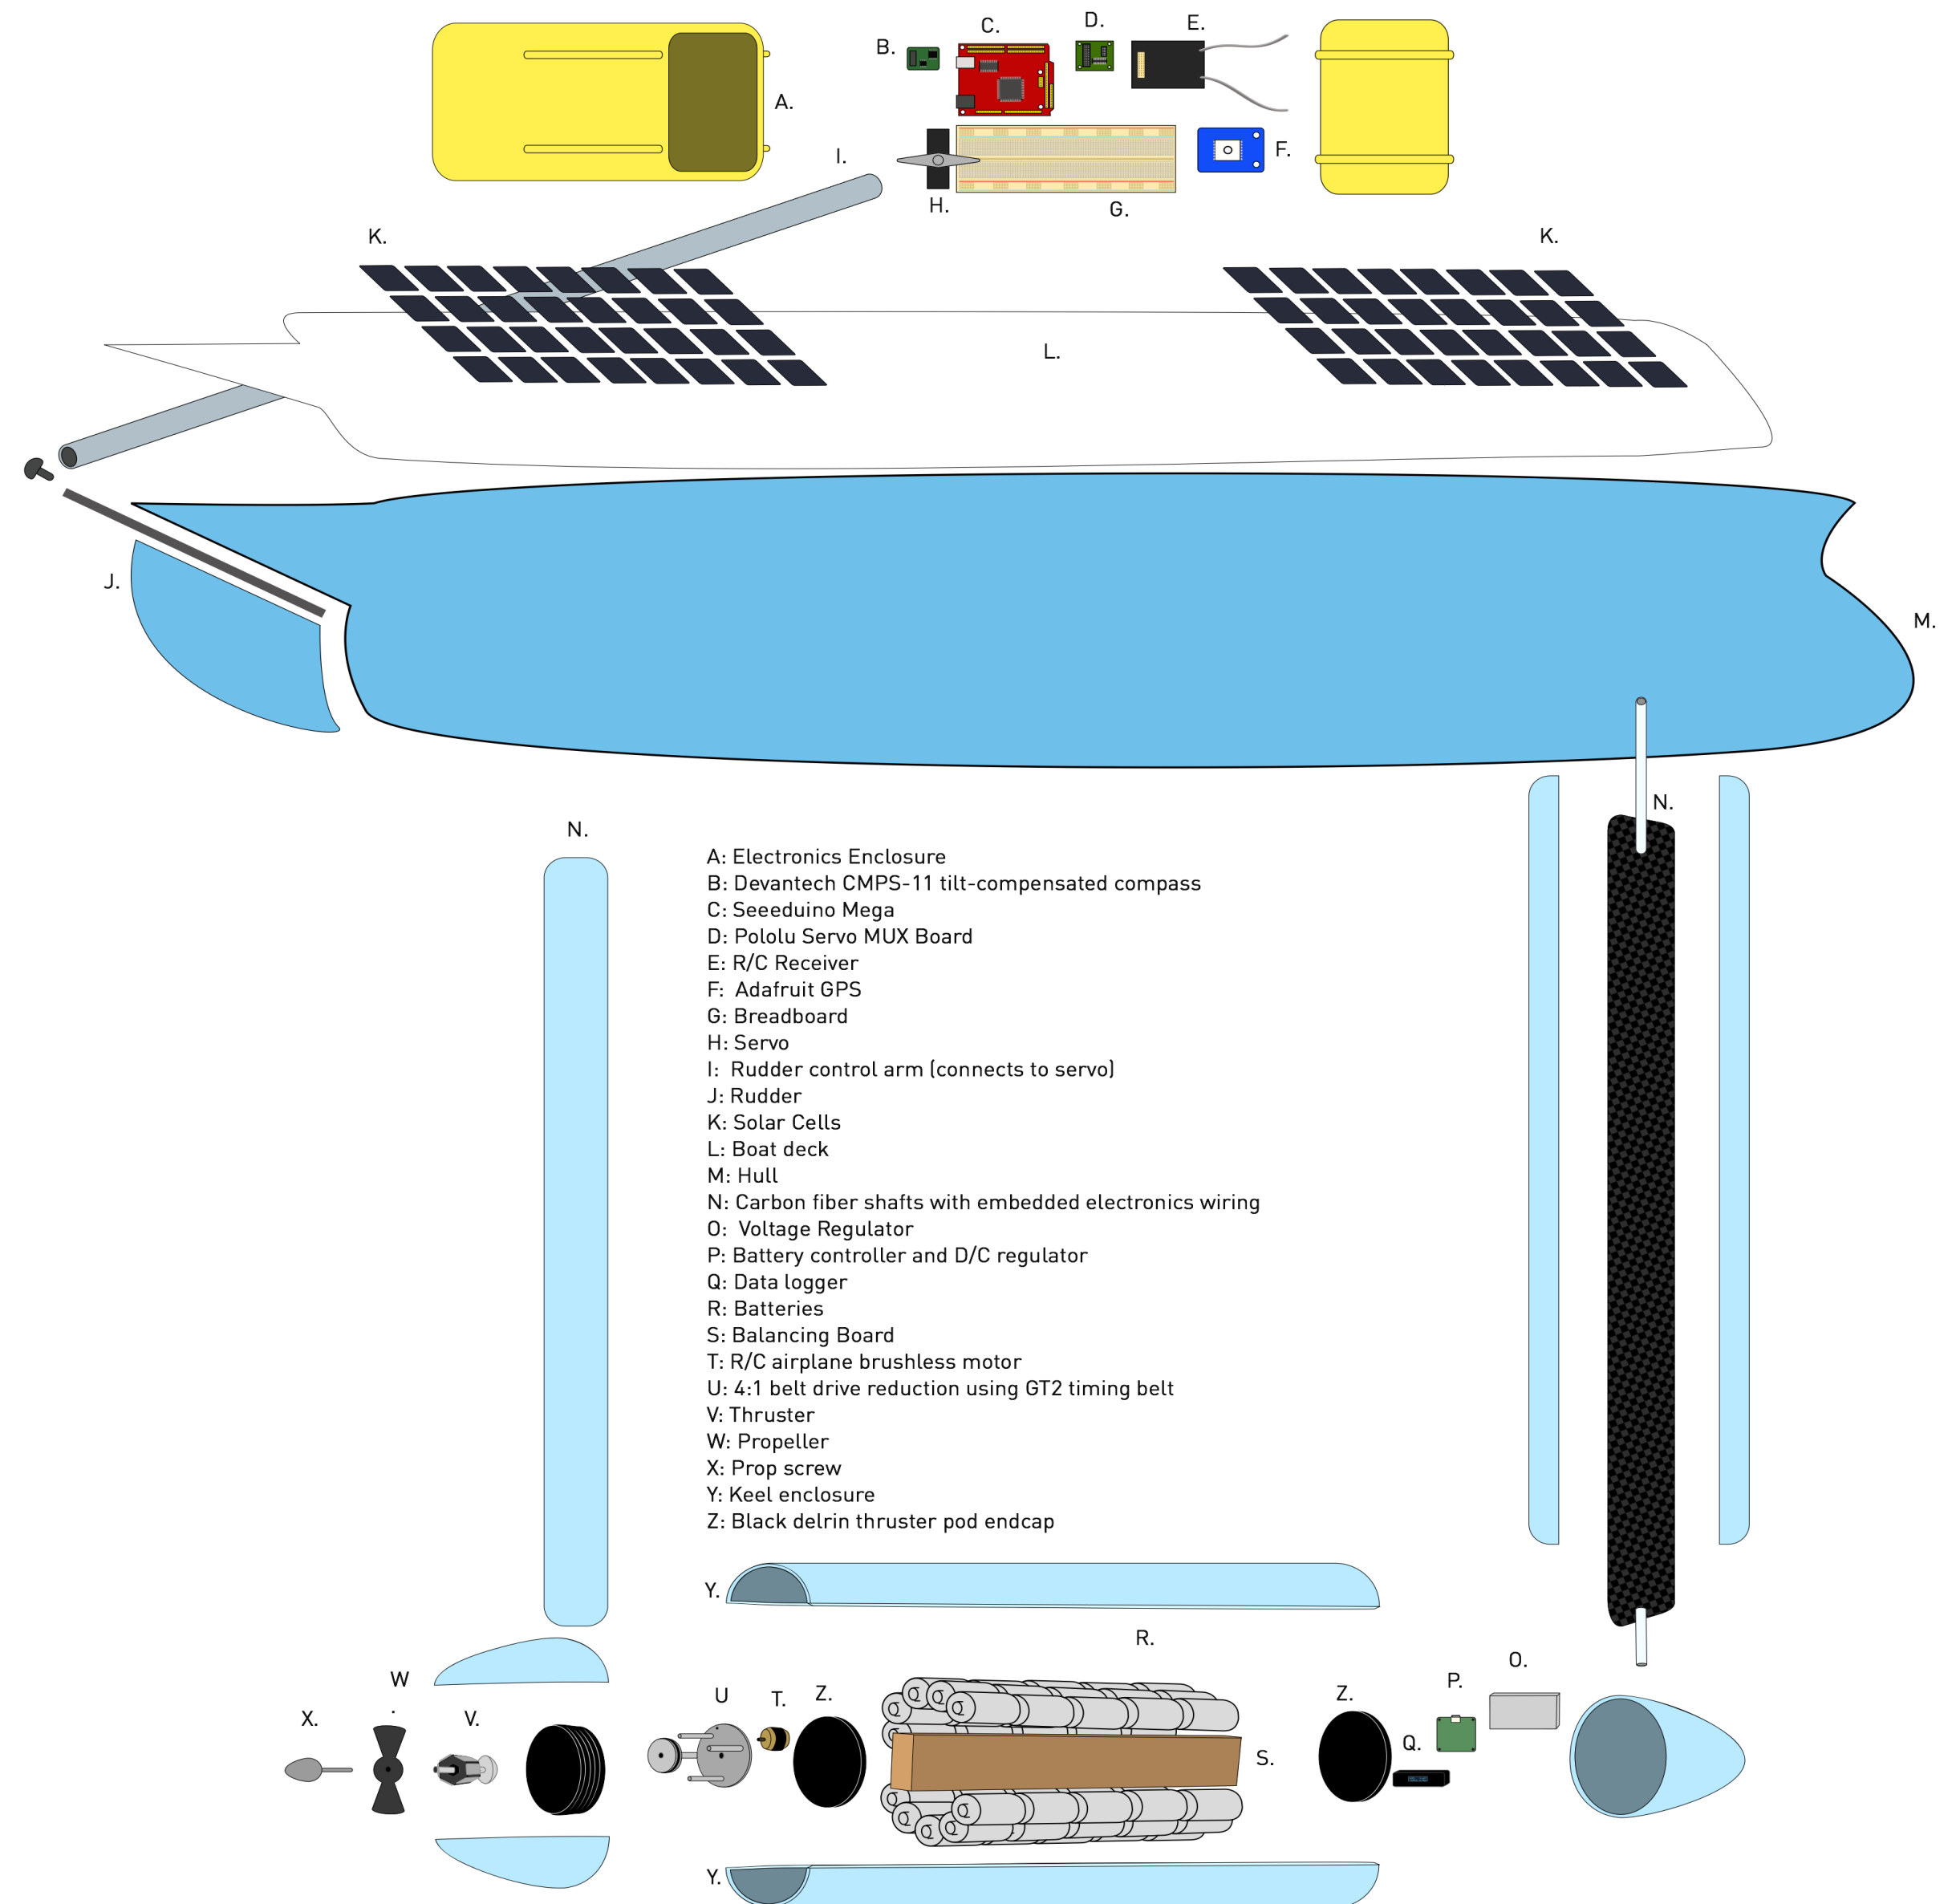

“I built SeaCharger in my garage —  
not for money or competition but  
simply as a challenge.”

“WHAT STARTED AS A  
YEAR-LONG PROJECT  
TURNED INTO 30  
MONTHS OF MISTAKES,  
COMPROMISES AND  
DO-OVERS.”

MAKER

Put SeaCharger in the at Half-Moon Bay  
in California and set it on a course for Hawaii.

# 41 DAYS AFTER LAUNCH

“I’m standing on the shore on the big island with my wife, parents, brother and a reporter.... I catch the first glimpse of the solar panels in the sun...”

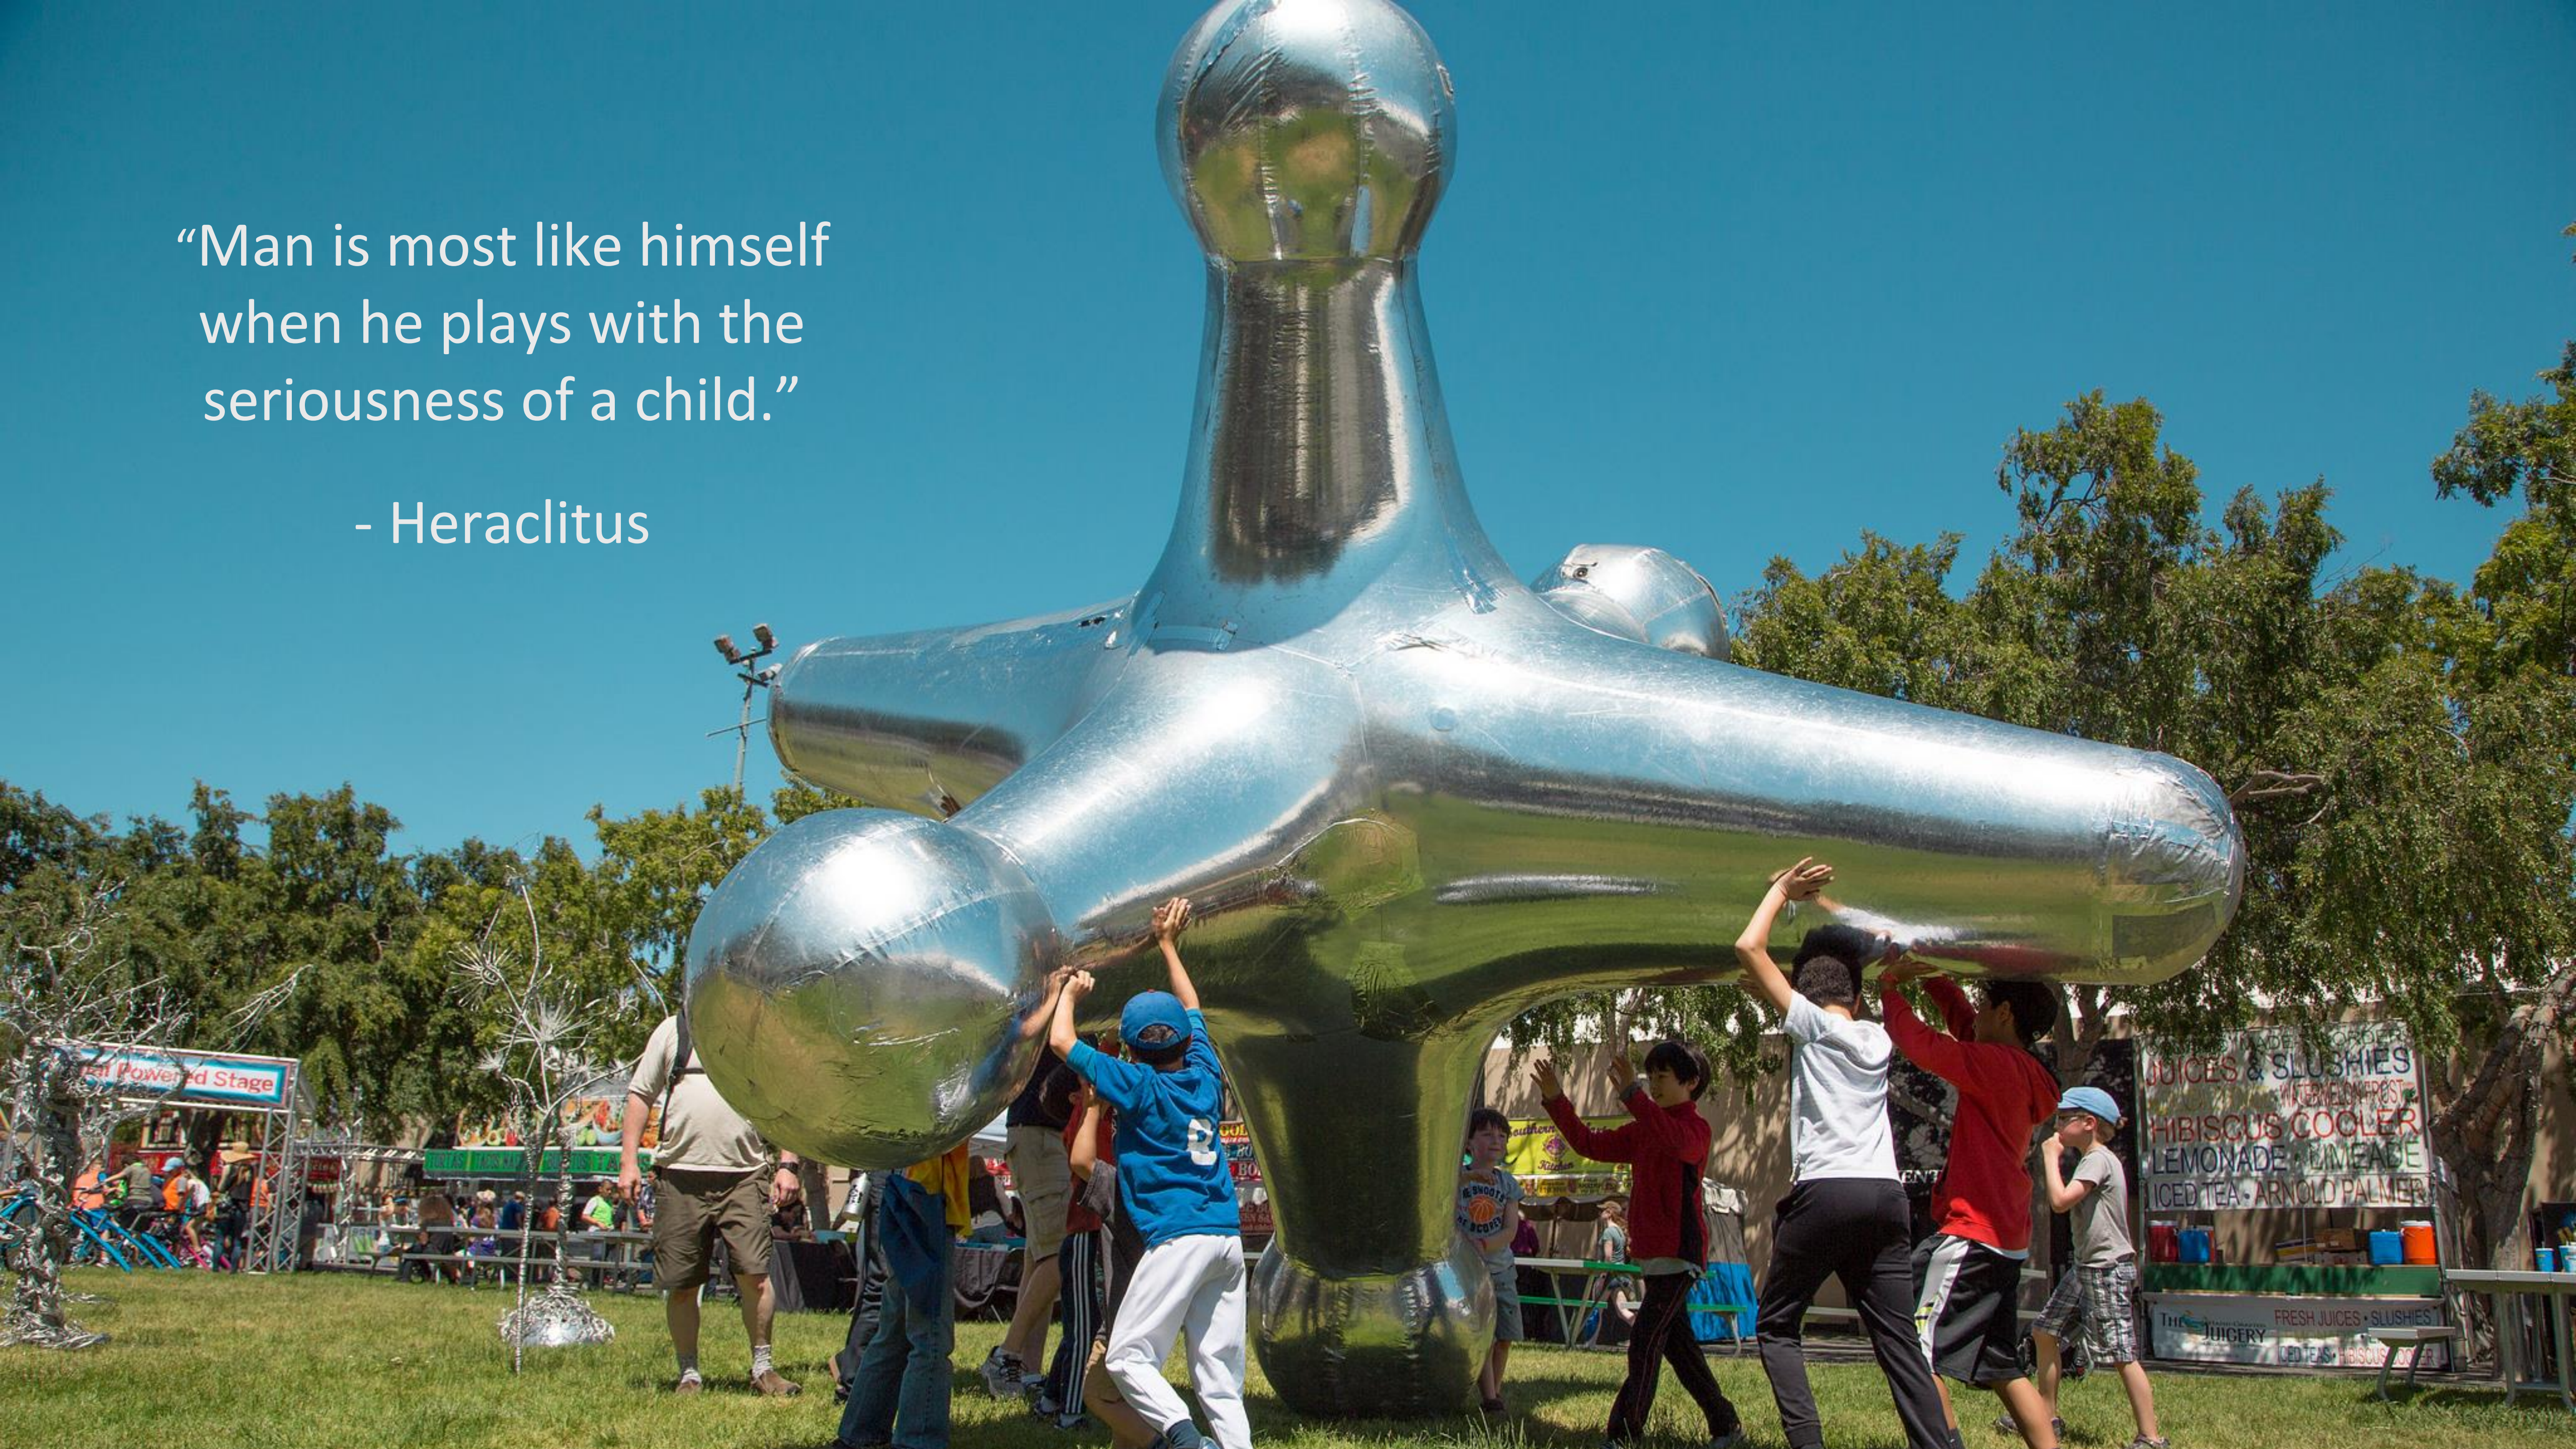

IT DOESN'T  
END HERE.

“Man is most like himself  
when he plays with the  
seriousness of a child.”

- Heraclitus
